

## 2006 SP DOLLY GISBORNE CHARDONNAY

### P R O D U C T I O N      N O T E S

A blend from two vineyards, 50 per cent from Paul and Jenny Tietjen's and 50 per cent from Murray McPhail's, a renowned horticulturist and owner of Leaderbrand, both in the greater Hexton region in Gisborne. The grapes were machine harvested in ideal conditions without the addition of preservative, allowing the skin tannins to oxidise. Fermented separately in 40 per cent new American oak, the wine went through full malolactic fermentation and spent six months sur lie in barrel. The wine was then blended to the big, bold style of Chardonnay we love.
